## **Damage to the vehicle**

**Which amounts is the Customer required to pay in the event of damage to the vehicle during the rental if the Customer has not purchased a damage waiver or if said waiver is not already included in the rental rate or if the waiver does not apply in the specific case?**

In case the vehicle is damaged during the rental, the Company will evaluate at its own discretion whether to proceed with the repair or substitution of the damaged parts. In any case, the Customer is required to pay the following amounts:

- A. the amount of the estimated damage, corresponding to the estimated cost of replacement of the damaged parts or the estimated cost of repairing the same. The methodology for estimating these amounts, which also include the cost of labour and any loss of use of the vehicle, is set forth in Section 10 "*Damage, Loss or Theft*" of the General Conditions of Rental;
- B. EUR 102.60 (VAT included) - or EUR 123.12 (VAT included) in the case of rentals at airports; or EUR 119.02 (VAT included) in the case of rentals at train stations - as an all-inclusive amount for one day of idle time of the vehicle required to allow our experts to assess the damage. This amount will be charged only once even in case of multiple damages to the vehicle;
- C. EUR 42.70 (VAT included) - or EUR 51.24 (VAT included) in the case of rentals at airports; or EUR 49.53 (VAT included) in the case of rentals at train stations - as an all-inclusive amount for the logistic, IT and accounting management of the damage by the Company. This amount will be charged only once even in case of multiple damages to the vehicle.

---

The Customer will not be charged any amount if following the standard cleaning procedure no damage is evidenced.

If the Customer proves that the damage was due to a circumstance not attributable to him/her/they, we will refund the amounts previously charged. The Customer may request the refund by contacting the Customer Service team.

If the Customer proves that the actual extent of the damage and/or the actual amount incurred for repair or replacement is less than the amount estimated under Section 10 of the General Conditions, the Customer will be reimbursed the difference. The Customer may request the refund by contacting the Customer Service team.

### **Which waivers reduce the amount the Customer has to pay if the vehicle is damaged during the rental?**

Maggiore branded rentals made in Italy include in the rate shown at the time of booking - as well as in the rate shown at the rental location - a basic level of reduction of the Customer's economic liability in case of damage to the vehicle during the rental period ("*Collision Damage Waiver*", CDW).

If the reduction of economic liability in case of damages is included in the rental or has been purchased separately by the Customer and the vehicle is damaged during the rental, the Customer will be charged the lower amount between **(i)** the excess stated on the Rental Agreement, in case of applicability of the CDW and **(ii)** the overall amounts (A+B+C) indicated above.

In case of multiple damages to the vehicle which are clearly identified as such at check-in and which are not related to the same event, the Customer will be charged, for each individual damage, the lower amount between **(i)** the excess stated on the Rental Agreement, in case of applicability of the CDW and **(ii)** the overall amounts (A+B+C) indicated above, it being specified that the amounts under letters B and C will in any case be charged only once.

Any limitation or exclusion of economic liability of the Customer in case of damage to the vehicle (respectively, *Collision Damage Waiver* and *Super Collision Damage Waiver*, as provided below) does not apply to damages occurred or caused to the windscreen and the windows (save for the following provisions).

Any limitation or exclusion of economic liability of the Customer in case of damage to the vehicle (respectively, *Collision Damage Waiver* and *Super Collision Damage Waiver*, as provided below) is not effective and in any case expires for **(i)** damage caused by willful misconduct or gross negligence, as well as for **(ii)** damage to the interior of the vehicle, for damage caused to the roof (caused by lack of assessment of the height of the vehicle and of the objects protruding or overhanging the roof), for damage caused to the clutch kit, for damage caused by engine over-revving, for damage or theft of tyres and/or rims, for damage caused to the underbody, unless the Customer proves said damage (or, in the case of the tyres and rims, the theft) was determined by a circumstance not attributable to him/her/they.

### **How much is the excess if the Customer has purchased CDW / the latter is included in the rental?**

The excess, which corresponds to the maximum amount of the Customer's economic liability for each damage clearly identified at check-in and not related to the same event, is indicated in the booking process or in the rental fare shown at the rental location and is stated on the Rental

---

Agreement and also in your booking confirmation email. Applicable taxes and eventually a surcharge in the case of rentals at airports or train stations will be added to the excess.

## How do I get Collision Damage Waiver?

The Rental Agreement and your booking confirmation email indicate whether the reduction of economic liability for damages (*Collision Damage Waiver*) is included in the rental. If it isn't included, the price for this service will depend on the vehicle you're renting, the place you're renting it from and the duration of the rental. The price approximately ranges between € 17.64 (VAT included) and € 26.47 (VAT and eventual surcharge in case you rent at an airport / train station included) per day. If you rent the vehicle for more than 15 days, you'll only be charged for a maximum of 15 days and get cover for the duration of your rental, up to 30 days; from the 31<sup>st</sup> day, the daily surcharge will revert.

## Is there a waiver available to reduce my excess further?

Yes, *Super Collision Damage Waiver* (SCDW) is a service which reduces your excess to zero in case of damages to the vehicle during the rental period: therefore, in this case, the Customer will not be charged any amount for damages to the vehicle, save for the application of the last two paragraphs of the previous clause "*Which waivers reduce the amount the Customer has to pay if the vehicle is damaged during the rental?*". The price depends on the vehicle, the rental location and duration of the rental and approximately ranges between € 23.01 (VAT included) and € 43.92 (VAT and eventual surcharge in case you rent at an airport / train station included) per day. If you rent the vehicle for more than 15 days, you'll only be charged for a maximum of 15 days and get cover for the duration of your rental, up to 30 days; from the 31<sup>st</sup> day, the daily surcharge will revert.

## Which amounts is the Customer required to pay if the windscreen or any other window is damaged?

In case of damages to the windscreen or windows the Customer will have to pay the overall amounts (A+B+C) indicated in the previous clause "*Which amounts is the Customer required to pay in the event of damage to the vehicle during the rental if the Customer has not purchased a damage waiver or if said waiver is not already included in the rental rate or if the waiver does not apply in the specific case?*".

## Is there a waiver which reduces the Customer's economic liability in case of damages to the windscreen or any other window?

Yes, *Windscreen Protection* reduces the amount you have to pay if the windscreen or any other window is damaged to zero.

The price of this service depends on the vehicle you're renting, the place you're renting it from and the duration of the rental. Said price approximately ranges between € 5.16 (VAT included) and € 8.27 (VAT and eventual surcharge in case you rent at an airport / train station included) per day. If you've bought the *Windscreen Protection* waiver, it will be stated on your Rental Agreement. If you rent the vehicle for more than 15 days, you'll only be charged for a maximum of 15 days and get cover for the duration of your rental, up to 30 days; from the 31<sup>st</sup> day, the daily surcharge will revert.

## Are there any cases in which the waivers which reduce or eliminate the economic liability for damages to the vehicle do not apply?

Yes. The amount the Customer will have to pay will not be reduced if the damage was caused by or is the result of:

- water or fire damage, attributable to the Customer;
- wilful misconduct or grossly negligent behaviour or a conduct put in place in violation of the provisions set forth in Article 5 (*Vehicle Use*) and Section 8 "*During the Rental, Using the Vehicle*" of the General Conditions of Rental.

The Customer also does not benefit from the reduction or elimination of economic liability where he/she/they intentionally provides incorrect information in the incident report form.

### Where can I find information of damage charges I've paid?

If we find damage, we'll charge the amount you have to pay to your card. If the Customer has provided the Company with his/her/their email address, the Customer will receive, immediately after the damage charge is made, an email containing the complete information regarding the payment made. In any case, the details of the payment made by the Customer will also be available at the following link: [www.avisautonoleggio.it/fattura-online](http://www.avisautonoleggio.it/fattura-online).

## Damage, loss or theft of keys, accessories, vehicle documents or optional extras

### Damage, loss or theft of the vehicle keys, accessories and documents

In case of damage, loss or theft of the vehicle keys, accessories or documents, the Company will evaluate at its own discretion whether to proceed with the repair (where applicable) or substitution of the damaged parts.

In any case, the Customer is required to pay **(i)** the amount of the estimated damage, corresponding to the estimated cost of replacement of the affected parts or the estimated cost of repair of the same and **(ii)** EUR 102.60 (VAT included) - or EUR 123.12 (VAT included) in the case of rentals at airports; or EUR 119.02 (VAT included) in the case of rentals at train stations - as an all-inclusive amount for one day of idle time of the vehicle.

If the Customer proves that the damage, loss or theft was due to a circumstance not attributable to him/her/they, we will refund the Customer the amounts previously charged. The Customer may request the refund by contacting the Customer Service team.

If the Customer can prove that the actual extent of the damage and/or the actual amount incurred for repair or replacement is less than the amount estimated under Section 10 of the General Conditions of Rental, the Customer will be reimbursed the difference. The Customer may request the refund by contacting the Customer Service team.

Waivers that reduce (*Collision Damage Waiver*) or eliminate (*Super Collision Damage Waiver*) the economic liability for damage to the vehicle also cover, under similar conditions, the cases of damage, loss or theft of the keys, accessories or documents of the vehicle. Specifically, in case of purchase of CDW, the Customer will be charged the lower amount between **(i)** the excess stated in the Rental Agreement and **(ii)** the aforementioned replacement or substitution costs and vehicle idle time; in case of purchase of SCDW, the Customer will not be charged any amount.

### Damage, loss or theft of optional extras

In case of damage, loss or theft of optional extras, the Company will evaluate at its own discretion whether to proceed with the repair (where applicable) or substitution of the damaged parts. In any case, the Customer is required to pay the amount of the estimated damage, corresponding to the cost of replacement of the affected parts or the estimated cost of repair of the same.

If the Customer proves that the damage, loss or theft was due to a circumstance not attributable to him/her/them, we will refund the amounts previously charged. The Customer may request the refund by contacting the Customer Service team.

If the Customer can prove that the actual extent of the damage and/or the actual amount incurred for repair or replacement is less than the amount estimated under Section 10 of the General Conditions of Rental, the Customer will be reimbursed the difference. The Customer may request the refund by contacting the Customer Service team.

## Theft

### **What products reduce the amount I have to pay if the vehicle is lost or stolen during the rental?**

If you have *Theft Protection* waiver (TP) and the vehicle is stolen, the amount you have to pay will be reduced to no more than the excess stated on your rental agreement meaning you'll pay for the cost of repair or replacement or the excess, whichever is less. If you can show the damage was not in any way your fault or due to your negligence, we will refund these costs to you. If you can show the damage was less than we said, we will refund you the difference. If you can show the loss or theft was not in any way your fault or due to your negligence, we will refund these costs to you.

### **Is there an excess reduction product available to reduce my excess further?**

Yes, *Super Theft Protection* waiver (STP) is an excess reduction product which reduces your excess to zero. The price depends on the vehicle and location – but you can expect it to costs between € 19.98 (VAT included) and € 33.26 (VAT and airport /city surcharges included) a day. If you rent the vehicle for more than 15 days, you'll only be charged for a maximum of 15 days and get cover for the duration of your rental, up to 30 days.

### **What happens if I lose any optional extras I rent from you or if they are stolen?**

If any optional extras are lost or stolen, you have to pay for the cost of replacement in addition to the rental fee.

### **Are there any times when the excess would not apply?**

Yes, the amount you pay will not be reduced if the loss or theft was caused by – or as a result of:

- Keys being left in the vehicle
- Keys being lost or stolen
- Using the vehicle in breach of the contract
- If the theft of the vehicle, the options or the loss of the extra options was caused by customer negligence or serious misconduct

## Where can I find information of theft charges I've paid?

If a loss or theft has occurred, unless you can prove the theft was not in any way your fault or due to your negligence, we'll charge the amount you have to pay to your card. Unless you've asked us to send you a receipt by email, you'll be able to find details of this payment here [www.avisautonoleggio.it/fattura-online](http://www.avisautonoleggio.it/fattura-online).

Yes. All drivers must have held their licences for at least 12 months (2 years if aged 21-24 and renting a vehicle category bigger than C). If a licence does not show the driver has held it for the minimum period, then they must provide evidence, such as:

- Previous driving licences
- Or a letter from their driving licence authority stating that they have held it for this minimum period.

### **I have unspent convictions on my licence, can I drive?**

If any driver has any unspent driving convictions for:

- careless, reckless or dangerous driving,
- driving or attempting to drive whilst under the influence of drink or drugs,
- using a vehicle uninsured against third party risks
- theft or unauthorised taking of a vehicle
- been disqualified – or if you have two or more unspent convictions for offences not listed above unfortunately, you will not be able to drive our vehicles.

## **ID requirements**

### **Do I need to bring proof of identification?**

Yes, you must bring:

- the payment card that was used to make your booking.
- For some vehicles two valid traditional credit cards are requested. This should have been issued from two different circuits. The cards must be both in the name of the customer and, one of the two, must be the card with which the reservation has been made.
- photo ID featuring a recognisable photo taken in the last 10 years. We will accept your passport or driving licence if it contains a photo, a national identity card or any other form of government-issued identification.

You may also need to bring proof of where you live. This could include a recent utility bill or bank statement. If your driving licence shows your address, we will accept it as proof of your address.

## **Pre-authorization**

### **Will I need to give a pre-authorisation or pay a security deposit?**

Yes, you must give us a pre-authorisation on your payment card before we release the vehicle to you. A pre-authorisation holds money in your account.

If you wish to pay in cash, we will take a security deposit instead.

### **What do I need to do to give a pre-authorisation or security deposit?**

You'll need to give us a payment card in your own name that has enough money available on it. Find out more: see the "Payments Options" section in this document.

## How much is the pre-authorisation?

The amount of the pre-authorisation requested on pick-up of the rental vehicle by the Customer is calculated as follows:

The vehicle rental price\* plus EUR 200 minus any sum you have already paid when making a "Pay Now" booking.

\* The "vehicle rental price" includes the vehicle rental cost and all optional extras you've requested, calculated at the start of the rental based on the intended length of the rental. For the avoidance of any doubt, any "Pay at Location" amount you owe in relation to the vehicle rental (including any optional extras) will be included as part of the pre-authorisation and will be charged to you at the end of the rental (using the card provided for the purposes of the pre-authorisation, unless agreed otherwise).

\*\* If you buy our "Fuel Up Front" service, we will reduce the mentioned EUR 200 by the amount we charge you for the "Fuel Up Front" service.

The Customer acknowledges and accepts that the amount temporarily reserved with the pre-authorisation may be used by the Company in case we have to charge you any amounts that will be calculated at the end of the rental:

- i. costs to refuel the vehicle (where relevant);
- ii. additional rental charges in circumstances where you fail to return the vehicle or any optional extras at the end of the agreed rental period or to the agreed return location;
- iii. costs incurred as a result of exceeding any relevant mileage restrictions; and/or
- iv. any additional charges relating to your use of the vehicle.

Where the pre-authorisation does not cover the costs you incur during the rental period, we will request you make a further payment for the additional amounts owed.

## Fuel and Electricity charges

### Fuel and hybrid vehicles

#### Should I bring the vehicle back with a full tank of fuel?

Yes. The vehicle will normally be supplied with a full tank of fuel. You must return it to us with the same amount of fuel it had in it when you picked it up – usually a full tank – as shown on the factory-installed fuel gauge. We recommend you fill up as close to the return location as you can on the return date, and keep the receipt to show us. If you don't return the vehicle with a full tank – and you can't show us a receipt for fuel – we will charge you.

#### Fuel Options

---

## **I plan to travel more than 120 kilometres, and want peace of mind, do you have a fuel option for me?**

Yes, with *Fuel Up Front* you pay for a full tank of fuel, based on the manufacturer's stated fuel tank capacity for your vehicle – plus our costs of refuelling the vehicle for you. Then you just return the vehicle with whatever's left in the tank (even if it's virtually empty) so long as the engine still runs.

## **How do I calculate the cost of Fuel Up Front?**

Depending on where you're renting, we charge the average fuel price (VAT excluded) at the start of your rental period – as stated on this EU fuel index: [http://ec.europa.eu/energy/observatory/oil/bulletin\\_en.htm](http://ec.europa.eu/energy/observatory/oil/bulletin_en.htm) However, you don't get a refund for any fuel you don't use.

## **Can I get Fuel up Front at any time?**

No, if you want to take advantage of Fuel Up Front, you must ask for it during the booking process or when you pick up the vehicle.

## **I plan to travel less than 120 kilometres, do I still need to fill up?**

Yes, often the fuel gauges stills look "full" so we ask you to fill up the tank near to the return location and show us a copy of the receipt. If you don't have time to fill up the tank, or can't show us a receipt, we will apply *EZ Fuel* to cover our costs of refuelling the vehicle for you.

## **How much is EZ Fuel?**

Depending on where you're renting, you pay of fixed fee €15.00 (VAT included).

## **What are my options if I don't return the vehicle full and haven't bought Fuel up Front?**

*Pay on Return* will apply if you have driven more than 120 kilometres and:

- Don't buy Fuel Up Front
- Don't return the vehicle with a full tank

## **How do I calculate the cost of Pay on Return?**

You pay for fuel based on the factory-installed fuel gauge rounded down to the nearest eighth (1/8) of a tank. This is based on the manufacturer's stated fuel tank capacity.

We recommend you to fill up as close to the return location as you can. Otherwise we charge the average fuel price at the end of the rental period for Italy – as stated on this EU fuel index: WEBSITE [https://energy.ec.europa.eu/index\\_it](https://energy.ec.europa.eu/index_it) included a surcharge per liter as indicated on your rental agreement. If we have to refuel the vehicle, a refuelling service fee of € 5,00 will be debited. This charge covers our cost of driving to the nearest petrol station at short notice and to restore the inconvenience of the potentially delaying the next customer's rental.

## **Electric vehicles**

### **How much battery charge should I return an electric vehicle with?**

You must return the vehicle with at least a 70% battery charge, or the same % battery charge as it had at time of pick-up.

## What am I charged if I fail to return an electric vehicle with the required 70% battery charge, or the same % battery charge as it had at time of pick-up?

We charge a fixed amount dependent on the battery life showing on the factory-installed battery gauge. This is the "Pay on Return" rate. The amounts charged are set out below:

Battery Charge	Fixed Cost (inclusive of VAT)
If you return the electric vehicle with 70% or more battery charge.	No Cost.
If you return the electric vehicle with between 11% - 69% battery charge.	EUR 31.36
If you return the electric vehicle with 10% or less battery charge.	EUR 49.78

In addition, there are toll roads and toll bridges which require you to pay a fee if you wish to use them. If you do not pay these charges before you enter such areas or use such roads or bridges, you will incur an administrative sanction.

If we receive an administrative sanction attributable to the Customer, we shall, if appropriate by using a third party, provide the Client's details to the competent authority or private company that has issued the administrative sanction, for the purpose of subsequent renotification to the Customer.

Maggiore retains the right to charge the Customer the amount of the sanction if the Customer fails to pay the administrative sanction and Article 196 of the Italian Highway Code does not apply, or in the event that Maggiore is held liable for the payment of the sanction, or if failure to pay the administrative sanction would result in serious and irreparable damage to Maggiore.

For business Customers only, a traffic administration fee shall be payable in case we receive an administrative sanction attributable to the Customer. This fee shall be €31.72 (VAT included). This fee shall not be payable by Customers who qualify as consumers under the Italian Consumer Code (Legislative Decree no. 206 of 6 September 2005).

Maggiore retains the right to charge any expenses incurred as a result of non-compliance with vehicle parking regulations (for example tow truck costs and towing costs).

### **I've left the interior of the vehicle very dirty and made it smell. Will I be charged to clean it?**
